

IPD WARRANTY POLICY AND PROCEDURES

(Effective 03/01/14)

IPD WARRANTY

PARTS FOR DIESEL ENGINES

On-Highway Applications:

IPD New Parts, New & Remanufactured Turbochargers, and Turbocharger Components for these applications are warranted to be free from defects in workmanship and material under normal use and service for 2 years with unlimited miles of operation. IPD warranty period extends from the date of installation of the IPD product into the engine, but total warranty period is not to exceed 3 years from the original distributor purchase of IPD products from IPD invoice.

Off-Highway Applications:

IPD New Parts, New & Remanufactured Turbochargers, and Turbocharger Components for these applications are warranted to be free from defects in workmanship and material under normal use and service for 1 year or 3,600 hours of operation (whichever shall occur first). IPD warranty period extends from the date of installation of the IPD product into the engine, but total warranty period is not to exceed 2 years from the original distributor purchase of IPD products from IPD invoice.

PARTS FOR NATURAL GAS OR METHANE ENGINES

IPD New Parts for these applications are warranted to be free from defects in workmanship and material under normal use and service for 2 years with unlimited hours of operation, with the exception of valve train, new & remanufactured turbochargers, and turbocharger components, which are warranted for 1 year with unlimited hours of operation. IPD warranty period extends from the date of installation of the IPD product into the engine, but total warranty period is not to exceed 3 years from the original distributor purchase of IPD products from IPD invoice.

ALL OTHER REMANUFACTURED PARTS

Warranted to be free from defects in workmanship and material under normal use and service for 1 year, 100K miles, or 3,600 hours of operation (whichever shall occur first). IPD warranty period extends from the date of installation of the IPD product into the engine, but total warranty period is not to exceed 2 years from the original distributor purchase of IPD products from IPD invoice.

ALL PARTS

IPD Warranty Period is not for products provided in a previous warranty, or in a no charge situation. Only the original Warranty Period is guaranteed.

This warranty is made by Industrial Parts Depot (IPD), LLC for IPD brand engine parts, turbochargers (various brands), and turbocharger components distributed by IPD.

IPD RESPONSIBILITY

If all claim procedures have been followed, and a determination is made by IPD that this is a warrantable situation, then the following describes what will be the maximum responsibility of IPD (note: all warrantable claims will be settled by credit to the account of the IPD Distributor, cash refunds will not be provided).

PARTS

New Parts (Excluding Turbochargers and Turbocharger Components)

IPD has the option of, 1) providing parts needed, or 2) reimbursing the IPD Distributor at Distributors cost for parts needed to repair the warrantable failure, including progressive damage caused by, or as a direct result of the failed part (providing IPD claim procedures have been met). Any parts needed to repair the damage, other than parts supplied by IPD, must be agreed upon in advance by IPD.

All Remanufactured Parts, New Turbochargers, and New Turbocharger Components

Limited to the replacement of the part and replacement labor only.

MAINTENANCE ITEMS (NEW PARTS ONLY, EXCLUDING TURBOCHARGERS AND TURBOCHARGER COMPONENTS)

IPD will reimburse the distributors cost for maintenance items such as oil, antifreeze, and filters that are not reusable due to repair of a warrantable new part failure, but must be agreed upon in advance by IPD.

LABOR

IPD will reimburse the Distributor for labor at no more than published flat rate or IPD flat rate time, and no more than Distributor's cost of labor, not to exceed \$50.00 (USD) per hour. No holiday or overtime rates will be paid by IPD unless agreed upon in advance by IPD.

NOT COVERED:

IPD is not responsible for:

- Down time or towing charges
- Diagnostic time
- Dynamometer test charges
- Travel time, overtime, hotel or meal charges
- Service truck mileage
- Replacement vehicle/equipment rental
- Consequential damages or charges
- Transportation of the engine or vehicle to and from place of repair
- Progressive damage and/or maintenance items related to failure of IPD remanufactured parts

OWNER RESPONSIBILITY

It is the responsibility of the owner to properly maintain and operate the engine in accordance with operation and maintenance manuals, as supplied by the original manufacturer of the engine.

Alleged failed parts must be returned to the IPD Distributor where they were purchased in accordance with afore mentioned procedures.

Owner is responsible for all downtime, cargo and consequential damages, business cost or losses resulting from a warrantable failure.

Owner is responsible for all transportation costs incurred in getting the engine/equipment to and from the repair site.

IPD WARRANTY CLAIM PROCEDURES

1. End-User should contact the IPD Distributor from which the items were purchased to begin claim procedure. All communication will be between IPD and the Distributor whom directly purchased IPD products.
2. Distributor should notify IPD at which time IPD will instruct the Distributor on how to proceed.
3. IPD Distributor is responsible for:
 1. Completing the IPD Warranty Request Form, and returning parts and documentation, unless otherwise instructed by IPD (note: all shipping charges are the responsibility of the End User or Distributor, IPD will not except collect shipments).
 2. Submitting claims within 30 days from the notification of a suspected failure.
 3. For a claim to be considered, a report from the engine control module (ECM) is required (if equipped) at the time the warranty claim is submitted.
4. Alleged failed IPD product must ultimately be returned to IPD Technical Support in USA for consideration of warranty, unless otherwise instructed by IPD.
5. If IPD determines that the situation is warrantable, all settlements will be made through the IPD Distributor, unless otherwise determined by IPD. If the warranty claim is denied, all products submitted for examination to IPD will be held for 60 days after date of warranty denial is made and then disposed of.

NOTES

This warranty applies solely to parts sold under the IPD brand of products, new & remanufactured turbochargers, and turbocharger components.

Failures other than those resulting from defects in material or workmanship of IPD products, which arise solely as a result of owner abuse, improper assembly or operation, and/or lack of proper maintenance, are not covered by this warranty.

There are no warranties, expressed or implied, including warranties of merchantability or fitness for a particular purpose by IPD, except the warranty against defects in material and workmanship. No person is authorized to bind IPD for any such other warranty.

IPD is not responsible for incidental or consequential damages.

This warranty does not apply to parts provided by IPD at no charge, or in lieu of a previous warrantable situation.

Any tampering or altering of IPD products voids any warranty of the product by IPD and becomes sole responsibility of owner.
